State Legislator Invites Residents to Discuss Issues of Concern

State Rep. Mike Alberts, R-50th, will meet with members of the public at a Town Hall Meeting, Thursday, March 17, from 6:30 to 8 p.m. in the Conference Room at the Hampton Town Hall, Route 97, Hampton, CT.

Residents of Hampton and other towns are cordially invited. At that time, Rep. Alberts will meet with individual constituents to discuss general issues or any particular matter where they need help at the state level.

“Any residents who have a concern related to state government are invited to attend. I’m there to answer any questions and discuss anything that may be on people’s minds,” said Rep. Alberts. “It could be a general chat or a specific concern or problem someone may be having with a state agency.”

Rep. Alberts said, “This is an opportunity for citizens to meet with me, to discuss action in the legislature, ask questions and raise issues. Clearly, the future of Parish Hill, taxes and the preservation of our rural quality of life are important matters to our area, but I will be happy to discuss other state-related concerns.”

Rep. Alberts serves the 50th Assembly District of Brooklyn, Eastford, Hampton, Pomfret, and Woodstock in the state House of Representatives.
